Katrina Aid Today

A National Case Management Consortium

Case Management Services

for Hurricane Katrina

Survivors and Their Families

ADAP is an affiliate through the National Disability Rights Network (NDRN) participating in a two year funded initiative administered by the United Methodist Committee On Relief (UMCOR) and sponsored by the Federal Emergency Management Agency (FEMA).

Services provided in assisting any individuals and their families affected by Hurricane Katrina:

- Information on local, state and national resources.
- Referral services and follow up.
- Assistance in coordinating and accessing services.
- Recovery Planning.
- Assistance with FEMA/SBA process.
- Assistance accessing transportation resources.
- Assistance accessing medical and mental health services and assistance.
- Housing referrals.
- Referral to employment services.
- Referral for advocacy services.
- Assistance with ISP and IEP transitions in school systems.
- Special attention to “unmet” needs as a result of Hurricane Katrina.
